

In Giving

"Our Clubs" a short rest in the way of "ads," we wish to assure you that they are very much alive just the same: To have three full clubs running after our enormous success of a few years ago, is more than we expected. One would have been all we could have expected.

Today

We want to call your attention to a new lot of inlaid forks and spoons, which are just a shade better and a great many shades cheaper than any we have ever had. We generally surprise people when we tell them our prices on

"Rogers"

goods, for in spite of great protestations from others that their prices are so much less, our prices are always lower. Silver plated ware, reinforced with a piece of solid silver, where they are subject to greatest wear, will last a lifetime; and that's the kind we are talking about. Tea spoons are only

\$5.00

a dozen, and other pieces in proportion.
Cheap enough for any one.

KINDERGARTNERS.

Changes in Officers in Local Society.

The first Friday morning in the month will usually show a number of waiting carriages in the yard of Queen Emma hall, and the interested passer-by may know by them that a monthly meeting of the Board of Supervisors is in progress in the Froebel room upstairs. Yesterday morning the number of carriages indicated a meeting, and judging by the time they were to be seen, the meeting must have been longer than usual. And so it was.

Mrs. Hyde, the president, was in charge, and after the reports of secretary, financial secretary and treasurer, the chairman of the visiting committees reported the status of the various kindergartens.

A few changes were made in the personnel of the committees. Mrs. Irwin's departure left a vacancy on the Palama committee, for which Mrs. A. B. Ingalls was recommended. Miss Castle's absence necessitating another working member on the Japanese committee. Mrs. Henry Wells was transferred to that committee from the publication committee, and her successor on that committee will be appointed later.

Hereafter the financial burden will not be so heavy for any one person, as a committee of ways and means was appointed. Mrs. S. M. Damon, Mrs. F. R. Day and Miss Helen R. Lewis, to assist Mrs. Coleman in raising funds.

In the Hawaiian kindergarten Miss Minnie Morris has presided for a year with great credit, and it was hoped that she would hold the position longer. Her resignation was read yesterday, however, and accepted with regret. Miss Morris returns to her home in Monmouth, Ohio, and the association loses an able worker. No one has yet been appointed to succeed her.

The success of the kindergartens and training school the past year has been greatly due to Miss Lawrence, trainer and supervisor, and it was the unanimous wish of the meeting that she be re-engaged indefinitely. When the motion was put Mrs. Hyde read from a private letter a glowing tribute paid to her by Colonel Parker of Chicago, who is sorry that he allowed Cook County Normal School to lose such a valuable teacher as Miss Lawrence. Needless to say, her unanimous re-election is unmistakable proof of the regard in which she is held by the association.

For two years' past one of the most interested officers has been a vice-president, Mrs. T. R. Walker, who is soon to depart for a two years' sojourn in England. Her resignation was accepted willingly, and with recognition of her efforts in the kindergartens, but only in the hope that upon her return she would renew her connection with the Board of Supervisors.

It is just possible that a Japanese kindergartener may come from Japan, to have charge of her own little countrymen and their sisters.

June 18th is the date for the graduating exercises of the Class of '97 of the Training School, Miss Morris and Miss Carrie Bray being the only graduates.
